## We have some AWESOME ATHLETES!

Our class program will be working on their skill charts this month. We will be skill testing during class February 1-17. Awards will be given out the last week of February. Practice your gymnastics "shapes" at home (ie. Tuck, pike).

Our team kids have been bringing home the gold too! The Miners, our boy's team, had a great first meet in Roswell. Our girls team, the Gymcats, recently brought home two first place team wins!

If you have questions about your child's progress or curriculum feel free to email us or talk to us after class. We are here to help your child be their personal best!
